

Kingswear Primary School Physical Education & Sports Premium Grant Report 2016/17

The PE & Sports Premium Grant is designed to help primary schools improve the quality of the Physical Education and sport activities they offer their pupils.

For financial year 2016/17 Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years
